An Irish Birthday Blessing
May you live a long life
Full of gladness and health
With a pocket full of gold
As the least of your wealth
May the dreams you hold dearest
Be those which come true
May the kindness you spread,
Keep returning to you.
Happy Birthday!

All things have a beginning & an ending . This history story is no different . In 1965 I saw a ad on TV for starting Fresno Genealogy Society , My wife and I help start the club, I was the second president ,many letters to my aunts & uncles I collected what they remember, then it was all by snail mail, very slow getting replies. My wife did 99.9 % of the work. This report is to remind our future relatives what it was like in the 1800 hundreds .Later on here I will ask our future relatives to look for new family members. I received my first material from Raymond Daly & Margaret Rogers. In 1995 things started to come together with info from a my Delaney in Mayo , Westport Ireland (copy on pages here) at that time I was not sure of it's reliability so I did not use it as proof. I want you to know how hard it is to prove our facts. I will explain this statement later on in this report. You know you have to start somewhere ,I heard our grandfather Dennis was from Ohio, I wrote to Columbus Ohio library an Angel replied with my first information on Dennis ,with his Obit for him & Bridget Daly. Now to read hundreds of hours on the microfilms to get to the next step. As the time past & loads of stories where found , I put all in book form for the future. Please read carefully my requests.

As I worked on the rest of the history I run into many questions unanswered. After my first letter from My Delany I

Westport

I couldn't figure out who was Honor Slevin for sure ? Just lately I met a fellow researcher, that she married Daniel Slevin . This gave me proof of her relationship , plus that now the Cornelius Daly was her brother. I have looked high & low for this Cornelius S Daly with no luck , born ? 1830

challenge # 1 .

To take count now , Honor Daly, Dennis & Cornelius, at this time with the facts involved there are probably more children . Will explain later. Dennis & Bridget had a child (Mary) in 1846, I have her Baptized date 1847 . This Mary most have died early as she does not show up again in USA . I am trying to find their date to sail to USA ,no luck yet. It appears their first Son John Daly was born at sea on the trip to Liverpool England in 1847 , as I have his baptized Certificate , they sailed to USA sometime after this date. Can't find their passage to USA.

First record of Dennis & Budget is in Columbus Ohio in 1852. info in book. Now in USA our grandfather Cornelius Daly was born he had loads of children ,more about him later in book, Bridget had , next a girl Mary. More later.

The beginning (of the challenges for our future relatives).

My next items of great interest are about the unknown family of John Daly & Mary Sheridan.

Westport

We know at Johns & Mary's Cemetery A certain Cornelius Daly & Honor Slevin where involved .

I feel that there are a lot more in John Daly' family , I feel that a Myles Daly is a son for sure as at one time he lived with Honor Slevin. Also the same Cornelius Daly , I feel there was about 3 to 5 more Children . It has been my job the last year to research these different family members , names that I feel are Ann, Mary, John; Anthony, Patt, and of course Myles & Cornelius Daly .

To follow in this letter is the report I am making of my research of these Family members . I have spent hundred of hours reading film on line of the Baptizes & marriages of DALY, Sheridan& Moran families . I have copied examples of the records to show you the material to be researched. The research material is from the LDS church that copied the original reports.

Some are edited by researchers , most are not , some are readable some are not .I have tried to show you the different ones. My main job was to find anyone related to the Daly's , or Sheridan's or Moran's.

These records cover from 1750 to 1850 for most of the Ireland Marriages & Baptisms . For Daly, Sheridan & Moran.

Westport

This is the beginning of my search for these unknown family members . At the start I was only looking for Myles and Cornelius Daly , then I realized there are so many Moran's & Sheridan 's I would write them down also. This list got larger & larger. The hours then days went by , no real material. Lots of facts no good results , I figured I shouldn't toss all this research away, I'd keep it for other researchers to use. The results is here for my future Daly's .

I've researched many I call counties in Ireland, thousand of Baptizes and Marriages from 1750-1900.

The results . In the future someone will be able to use these records . I wish in the future one of you will find my lost kin.

John Daly was a Cooper (barrel maker) Dennis was a Grocer & Bar owner, Cornelius was a Soldier & farmer, Frank my grandfather was a Meat Cutter, my father Arthur was a meat cutter so was I for 30 years. Many of my uncles in partnership in the food business.

Map Westport 1850, note below letter from Mr. Delany in 1965 . Note Daly families lived on both Peters street & James Street. Note both streets are only a few blocks long.

Sources for Westport before the 1850s are limited almost exclusively to church records and gravestone inscriptions. The Oughaval parish records, which you have seen at the LDS, contain marriages from 1823 and baptism from 1845. The Oughaval cemetery contains one 19th century Daly inscription:

O Lord have Mercy on the soul of
John Daly
who departed this life October 28, 1836
aged 56 years
also
--- the soul of Mary Daly alias Sheridan
who departed this life 2nd Nov^r, 1864
aged 73 years
This monument
is erected
by their son
Cornelius S. Daly AD 1865.

Mary Daly, who is mentioned on the above inscription died at Peter Street, Westport aged 72 years. Her death was registered by Honor Slevin, her daughter. She was described on her death record as the widow of a cooper. On the General Valuation of 1855 she is listed as holding property on James Street, Westport.
