The records in these files are from 6 different Parishes, with a few dates as shown here. Almost all records are from 1780 to 1905. as i am looking for more Daly's in

Ireland. I feel I need to search high & low for more Daly's.

My hopes are that as the years go by, that these records will help others to find the rest of our

Daly's Or Sheridan's or Moran's . I feel most of our families came from Meath . Happy Searching.

DALY RESEARCH FILES

In 1990 I copied files from microfilm at the LDS genealogy library , included here is the very first copy of any of our Daly records, I did not have access to the files on line yet. As the years went by ,these records where available on line, these pages here of records are from Irish church records copied by LDS for our use now. These are not in yearly dated times.

If there was a date it will be attached. Most records are original copies, a few have been cleaned up (in Paint), like below. These files are not in any type of order.
